## Senior University Georgetown, Fall 2019 Term

### Frequently Asked Questions

#### Do I have to be a member of Senior University to travel and to take classes?

Yes, registration for Senior University Georgetown courses requires a current **\$50 membership** for **EACH** participant. If you are not a current member, you must be age 50 or older and you must include your \$50 dues; this will cover a 12-month period beginning with the receipt of your dues payment. For more information please call our office at **512-819-7680**.

#### How many classes can I take and do I have to pay for each class?

You may take one course in each time slot for the **\$70 non-refundable term fee**. This term that means you could take 11 classes for only \$70. You do not pay per class, you pay for the Fall Term. Some courses require materials which may have additional cost.

#### When does registration close and can I register late?

Registration will close on **Wednesday October 30**. All participants should have their registrations mailed to the Senior University office by this date in order to be processed and confirmed before classes begin. You will receive a notice confirming the courses for which you have been scheduled.

Late registration is allowed after the registration cut-off date if classes are not full.

#### How do you decide which students get into the classes and how will I know if I am enrolled?

Early enrollees will be scheduled first. Some courses have a small, limited enrollment and will fill rather quickly. It is our goal to honor individual requests as long as space is available. You will be notified if the course you have selected is full and will be allowed to make another course selection. Also, at least one week prior to the beginning of classes you will receive an email or letter in the mail that will list the classes you are registered for.

#### What is SOSU ?

SOSU is "Sold on Senior University", a group of our members that give tax deductible contributions to enable us to provide continued support for our educational programs.

Be sure to **PRINT** your **FULL NAME** and **MEMBER NUMBER**. Retain the program descriptions for reference.
